Re: Petition to recall Murray Hawthorne, final statement of sufficiency

Members of the Recall Committee:

On November 16, 2023, the Denver Clerk and Recorder issued a letter declaring the petition to recall Ebert Metropolitan District Director Murray Hawthorne sufficient. Director Hawthorne protested that decision on November 29, 2024. A hearing officer held a hearing on the protest and issued an order dismissing the protest on December 12, 2023.

The deadline for Director Hawthorne to resign has passed. Therefore, this letter serves as the final certificate of sufficiency of the petition. The Clerk and Recorder has set the date of the recall election as February 13, 2024, from 7:00 a.m. to 7:00 p.m.¹ Successor candidate self-nomination forms are due on December 28, 2023.

Sincerely,

Hon. Paul Lopez
Denver Clerk and Recorder

¹ The “date for holding the election,” which is defined in section 1-12-100.5, C.R.S., as the first day on which recall election ballots are available at the Clerk and Recorder’s office, is January 22, 2024.
